Fun Key Ring Charms

Key ring charms have evolved from “Help me find my key faster” to personal messengers. They can’t be just random. The trend is for charms that are inspirational, with a soft feel and cheerful individual designs. That’s how charms have become a must-have. For key rings, but also for bags, cases and backpacks. As a gift for yourself and your loved ones.

And why not buy more than one Fun Key Ring Charm – which is easy to do given BRUNNEN’s huge selection of versatile designs. The range extends from trendy dachshunds and cuddly key rings to the popular little trainers and cubes, right through to iridescent mini backpacks featuring rainbows.
New additions: a basketball and a starfish with funny faces – the perfect little lucky charm to suit every taste.

Sitting together, laughing together, and sharing news about the latest fashion, music, cosmetic trends, and friends. The girls' world is colourful, bright, and full of important news.
What was the latest gossip yesterday, is water under the bridge today.

And to give girls themes a permanent place in class, BRUNNEN came up with some enjoyable school and fun articles for pencil sharpening, erasing, or writing that all girls like. All Fun articles for girls are perfectly suited as little gifts for visits, as little extras with presents, or just like that, for no reason at all.

FUNny Animals

The world of animals surprises us more and more often. The biggest surprise, however, has certainly been - and dog and cat owners have surely known this for long - the growing awareness that animals resemble humans in many aspects. Animals have feelings, have memories, can remember things, and can solve complicated problems, and they can grieve.

Whether monkey, pig, or frog. In the form of erasers, with hands covering their eyes or making grimaces, they bring fun to our everyday lives. By the way: Many of the animal figures have been exclusively designed for the BRUNNEN Fun collections.

Fun Originals

At every appearance of these funny “Originals”, recipients are surprised by their resemblance with the true original. The inedible peanut, the plug for the kitchen sink, the cork that has never sealed a bottle of champagne ...

They are all part of the “Fun Originals” collection that will amaze and make their buyers smile. These pencils and erasers are the perfect little gifts for birthday invitations or casual meetups with friends. The attention will definitely be on the giver. Well-placed in the store, they can be real fast-movers.
