KOMPAGNON – A Classic among Notebooks

First-class Features in Top Quality

With over 140 years of experience as a notebook specialist, BRUNNEN has developed its Kompagnon Notebook Collection.

Many useful features provide users with great writing comfort and practical contents that make it easy to use and manage on a day-to-day basis. These include the pagination – i.e. the numbered pages – which make it easier to find entries, perforated tear-off sheets, the practical storage pocket for receipts, tickets or other papers, the ruler printing for quick measuring – when no classic ruler is to hand – or the two ribbon bookmarks, which can be used to quickly find currently used or important pages.
