with many features:

HABIT TRACKER

A habit tracker helps to track and visualise **habits and goals**. By **regularly recording** progress, patterns can be recognised, **motivation** built up and **self-discipline** strengthened. Whether for fitness, nutrition or personal development – a habit tracker helps to implement positive changes in the long term.

New, matching motifs every month!

MOOD TRACKER

A mood tracker is used to **document your mood and emotional state**. By regularly recording feelings and moods, patterns can be identified that contribute to **self-reflection and emotional health**. Mood trackers therefore help to **improve general well-being**.
